PETITION TO REVIVE AN UNINTENTIONALLY
ABANDONED APPLICATION UNDER 37 C.F.R. 1.137(b)

BOX DAC
ASSISTANT COMMISSIONER
FOR PATENTS
Washington, D.C. 20231

Sir:

Applicant presents this Petition to Revive An Unintentionally Abandoned Application pursuant to an unintentional failure to respond to a Notice to File Missing Parts of a Non-Provisional Application dated August 4, 2000. Although the undersigned Attorney received the Notice to File Missing Parts, the Notice, through an error and without deceptive intent, was not entered into the undersigned Attorney's docket system, resulting in an unintentional failure to timely respond to the Notice. The undersigned Attorney never received a Notice of Abandonment from the U.S. Patent Office and only recently discovered the abandonment of the referenced application while reviewing the file.

Applicant therefore respectfully requests the revival of the referenced application as the entire delay in filing the required reply to the Notice to File Missing Parts from the due date of the reply until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b) was unintentional.

Submitted herewith is a reply to the Notice to File Missing Parts.
